

# LEARNING FROM AWARD WINNING TEACHER EDUCATION PROGRAMS

**When: Sunday, February 15, 4:30-6:30**

**Where: Hyatt Regency, Moran**

## The Challenges of Implementing PDS/Medical Model Programs

What are methods for embedding special and bilingual education features in a program?

Where is the money to start and sustain a program?

What are methods for developing and accessing K-16 faculty, administrators, students, and community buy-in of a program?

What methods aid in the negotiation of a win-win partnership agreement, often referred to as a Memorandum of Understanding (MOU)?

What structures/strategies can be used to assure that partners hold the integrity of the decided MOU?
